

CATARAQUI REGION  
CONSERVATION AUTHORITY

## Development Technician

---

The Cataraqui Region Conservation Authority (CRCA) seeks a Development Technician who will focus on reviewing applications for permits issued under Ontario Regulation 148/06, *Development, Interference with Wetlands and Alterations to Shorelines and Watercourses*. This regulation protects public safety, property and the environment by requiring approval for work that could impact or be impacted by natural hazards.

### Key Responsibilities:

- Evaluate permit applications with regard to the effect of the proposed works on natural hazards as per CRCA policies and procedures and other applicable legislation;
- Inspect sites for which permit applications are received;
- Work with applicants, municipalities, and contractors to achieve environmentally sound development and issue permits;
- Handle inquiries regarding the regulation and permit requirements, conduct compliance inspections, and maintain files

### Requirements for the position include:

- A diploma in civil or environmental engineering technology or equivalent;
- Knowledge of natural hazards (e.g., flooding, erosion, slope failure), construction practices, safety, erosion control measures, stream and wetland function, fisheries, channel flow, and hydraulics;
- Knowledge of the *Development, Interference with Wetlands and Alterations to Shorelines and Watercourses* regulation and other applicable legislation (e.g., Planning Act, Building Code Act, Federal Fisheries Act);
- Minimum 1 year relevant work experience
- Strong analytical, organizational and communication abilities;
- Interest and ability to work independently;
- Competency with computer-based mapping and interpretation of engineering drawings and air photos;
- The ability to inspect locations with rough terrain and in inclement weather; and
- A valid Ontario driver's license

**Salary:** \$40,304 to \$53,738 (commensurate with experience and qualifications) based on a 35-hour work week, plus benefits package.

**Term:** This is a contract position renewable annually for an anticipated two year period.

Please forward your letter of application and résumé by **4:30 PM on Wednesday November 18, 2009** to:
